Hi Mayor DeCourt,

We met a year or so ago concerning Academy incentives and Andy Weiner told us he had spoken with you on an incentive opportunity, so I wanted to see if we can meet sometime in the near future? Also, I gave Mike Sherman your number to reach out to you, his company has helped us in the past obtain incentives. Let me know if I need to arrange a call or meeting with all of us. Thanks and I look forward to hearing from you.
