That is correct.

Thanks Heather.

Am I correct that aside from the budget ordinance, which is an act of appropriation, there is no other ordinance setting the salaries for the Mayor, Chief and Council Members?

Matt,

Attached is the Ordinance when the pay scale was put into place in 2019, along with the pay scale.

Further, please note the Budget Ordinance sets the salaries for the Mayor, Chief and Council Members. If salaries would change for the incoming administration, then a different Ordinance would be adopted. Otherwise, the Council salaries remain the same.

Thank you,

Joy Rabalais

Sorry. Is there not another ordinance setting salaries for municipal officers? There is nothing in the ordinance which pertains to setting salaries. It is a budget ordinance.

Also, the exhibits referenced in ordinance 19-610 aren't attached.

Dear Matt,

Your recent PRR for current ordinance fixing salaries of municipal officers and current ordinance adopting a police pay plan for the City of Broussard, has been referred to my office for formal handling and response.

Attached please find a copy of the Budget, as well as a copy of the Ordinance adopting the Budget fixing salaries of municipal officers.

Further, attached please find the Resolution, Ordinance and updated matrix of when the Pay Plan went into effect in 2019.

If you have any questions, please let me know.

Thank you,
