Thanks Heather.

Am I correct that aside from the budget ordinance, which is an act of appropriation, there is no other ordinance setting the salaries for municipal officers?

Dear Matt,

Attached please find a copy of the Budget, as well as the Ordinance adopting the Budget fixing salaries of municipal officers.

Further, attached please find the Carencro Police Department pay plan, which was included in the 2026 salary budget. The City does not have a separate Ordinance at this time.

Thank you,

Joy Rabalais

Dear Matt,

Your recent PRR for current ordinance fixing salaries of municipal officers and current ordinance adopting a police pay plan for the City of Carencro, has been referred to my office for formal handling and response.

We have reached out to appropriate personnel with the City of Carencro to retrieve the requested documents; however, with the upcoming holiday, please be advised that we anticipate it may take up to 5-7 business days to retrieve any documents responsive to your public records request.

If you have any questions in the interim, please let me know.

Thank you,

Joy Rabalais
