Naveen,

The city is really pushing for our signature on this item. They sent this additional information if it helps answer any of your questions. I am available for a call tonight if you have time.

I am reaching out to you because the city of Lafayette, Louisiana needs your help. The city is proposing a 2% tax increase for TID (Tourism improvement District.) The city needs 37 signatures and currently we are missing 9 which we need by May 15,2023 for us to submit and get this put into place. The city conducted a Strategic Plan focused on Sports in 2022 (plan is attached) since it is a huge portion of our city's business 62% to be exact. We considered that a 2% tax increase

Subject: RE: Updated Documents

The Hotel Motel association was fairly specific that they wanted it to be more centrally located than the edges of Lafayette. They wanted this to be good for all and got it placed in the proposal that there would be a larger voting block of hotel owners and or owner representatives on the board than people from the city/LCVC. I know that the ultimate goal is driving room nights to the area, some via sales and marketing and some exploring the feasibility of this complex. Lafayette parks and rec received a decent influx of moneys this year to update some (Three if I remember correctly) of the major fields around Lafayette.

I think that as long as any "development" is not placed on a specific side of town it will be a boon to overnight room nights.
