Re: Public Records Request

Dear Matthew:

This correspondence is to acknowledge receipt of your request directed to Youngsville Police Department pursuant to the Public Records laws for the State of Louisiana. We will request production of the records in the event these records are considered public in nature and are not exempt from production.

Once these prerequisites have been satisfied, the nature of your request will likely require additional time than what is afforded under the Public Records Law; LSA-R.S. 44:1. You will be notified if the records requested are not considered "public" in nature or exempt from production.

With kindest personal regards I remain,

Very truly yours,

Blaise G. Dupuis
Assistant to the City Attorney

Matt
