Thank you Joy.

Respectfully, Broderick does not create a blanket exemption for all employee grievances or final written findings. Please identify the specific statutory exemption relied upon, confirm whether responsive records exist, and advise whether any segregable portions or final determinations can be produced pursuant to the Louisiana Public Records Law.

If records are being withheld in full, please provide the statutory exemption for each withheld record.

Dear Matt,

This email is in response to your May 4, 2026, public records request wherein you requested "Any grievances lodged by City of Youngsville employee Tyra Dorsey for the period of April 1, 2026, through present, along with any written findings."

Please be advised that the records you seek are not a public record pursuant to *Broderick v. State, Dept. of Environ.*, 00-0156 (La. App. 1 Cir. 5/12/00), 761 So.2d 713, writ denied, 2000-1714 (La. 9/15/2000).
