Re: Public Records Request to Opelousas Downtown Development District
2026 Building Improvement Grant applications

Dear Mr. Lunsford,

I write in follow-up on behalf of the Opelousas Downtown Development District. Please use the link below to access materials responsive to your records request of August 4. Per your clarification on August 5, I have included all applications, not only those who are prospective recipients.

One point of clarification: you mentioned interest in "the amount of any awards." The District lacks documents responsive to that separate request because the Building Improvement Grant program involves reimbursement of documented costs actually incurred in the referenced project(s), not prospective funding before work is complete. No documentation of disbursements exists for this grant cycle because no funds have been disbursed.

†Registered Patent Attorney

220 Heymann Boulevard
Lafayette, Louisiana 70503
(337) 345-1985 (tel) • (337) 233-0694 (fax)

As I mentioned in correspondence on August 6, if you have questions not answered by the full tranche of applications, please feel free to follow up and we can evaluate what documents might be responsive to further inquiry.

With kind regards, I remain

Very truly yours,

Ryan M. Goudelocke
